

# Where Are Your Cultural Connections

*Culture is a human process representing the vast structure of behaviours, ideas, attitudes, values, habits, beliefs, customs, language, rituals, ceremonies and practices peculiar to a particular group of people and which provides them with a general design for living and patterns for interpreting reality” .Dr Wade Nobles*

	How Important is it to you generally?	How Important is it to you at work?	How important is it to you in your family/ social life?	How strongly do you feel connected to people who share this culture
